

## NON-FCRA BACKGROUND CHECKS TERMS AND CONDITIONS

These background check products are not consumer reports. These background checks provide information that can be used to satisfy your curiosity, protect your family, and find the truth about the people in your life. You may not use the information provided in these reports to make decisions about consumer credit, employment, insurance, tenant screening, or any other purposes that would require FCRA compliance. You agree you will not use the information in these reports to stalk, harass or annoy any person. Your information will be kept confidential and will not be sold or released except to comply with legal requirements.

Due to the nature of the origin of public record information, the public records and commercially available data sources used in these reports may contain errors. Source data is sometimes reported or entered inaccurately, processed poorly or incorrectly, and is generally not free from defect. This product or service aggregates and reports data, as provided by the public records and commercially available data sources, and is not the source of the data, nor is it a comprehensive compilation of the data. Before relying on any data, it should be independently verified.

For Secretary of State documents, the following data is for information purposes only and is not an official record. Certified copies may be obtained from that individual state's Department of State. The criminal record data in this product or service may include records that have been expunged, sealed, or otherwise have become inaccessible to the public since the date on which the data was last updated or collected.

In providing these products, Hustead and Associates is not a "consumer reporting agency," as that term is defined in the Fair Credit Reporting, Act 15 U.S.C. § 1681, et seq. ("FCRA"), and the data provided in these products do not constitute "consumer reports," as that term is defined in the FCRA. Accordingly, the data provided as a result of purchasing these products may not be used in whole or in part as a factor in determining eligibility for credit, insurance, employment or another purpose in connection with which a consumer report may be used under the FCRA.

I agree that I, and the organization I represent if applicable, will only use the information accessed through this search for research purposes.
